

PROGRAMME

EU DATA LOGISTICS FESTIVAL - 30 NOVEMBER 2023

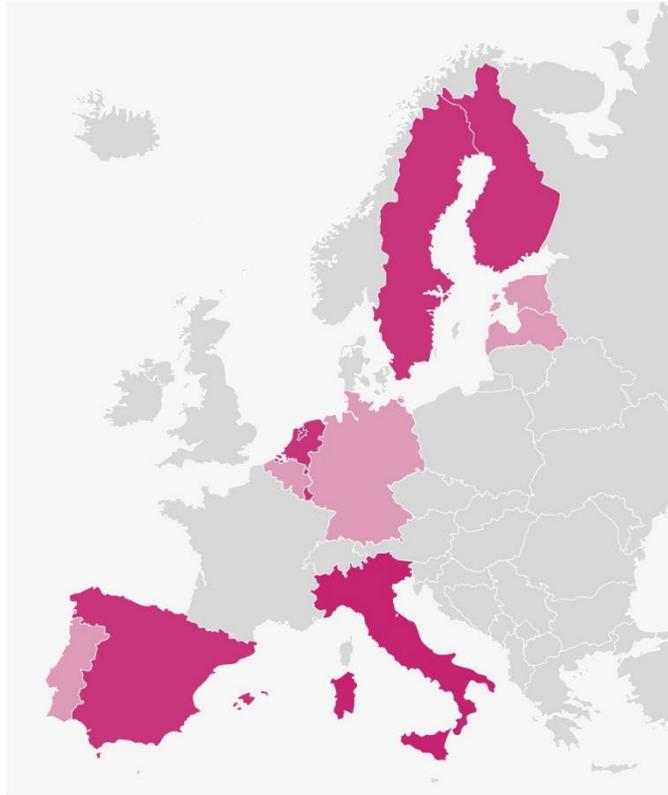

Stanhope hotel, 9 rue du Commerce, 1000 Brussels
08.30 hrs - 18.30 hrs

The FEDeRATED project is ¹co-financed by the European
Commission Connecting Europe Facility (CEF)

TOWARDS A SUSTAINABLE EU DATA SHARING ENVIRONMENT

A both-feet-on-the-ground project to develop the foundations for a future-proof federated network of platforms for seamless data flow management in logistics and smart mobility services in freight transport

Terminal San Giorgio

08.30hrs DOORS OPEN - REGISTRATION, COFFEE / TEA

09.00-10.45hrs – 1st part PLENARY MORNING SESSION Balmoral 1, 2 and 3 meeting rooms

09.00hrs OPENING AND WELCOME

Roeland van Bockel (moderator)

09.05hrs THE EC DATA LOGISTICS POLICY

Szymon Oscislowski - EUROPEAN COMMISSION - DG MOVE – deputy Head of Unit

09.25hrs FEDeRATED – THE OPERATIONAL FRAMEWORK

Roeland van Bockel - FEDeRATED project coordinator

09.45hrs SPAIN – EU PRESIDENCY - THE SIMPLE SONG

The SIMPLE project (incl. short demo)

Business case SIMPLE in multimodal transport, incl usage of FEDeRATED semantic model

Institutional – Next steps

Jaime Luezas Alvarado – Puertos del Estado

Javier García Fortea - ADIF

Iago Rodríguez-Quintana Sáñez - Altia Alvaro Alcaraz - Railsider

Maria Carmen Corral Escribano – MITMA – Head of Unit

10.15hrs NETHERLANDS – THE DATA GATEWAY FOR EUROPE

Connecting the dots

The Dutch approach

Demo DEFlog (Living Lab 19)

Federating maritime Port Community System services

Federating airport transport chain management

This is only the beginning

Brigit Gijsbers – Ministry Infrastructure and Water management (MIENW) – deputy Director General Aviation and Maritime Affairs

Sjoerd Boot - MIENW

Robbert Janssen - MIENW

Leopold Jonkman - Portbase

Luc van Scheidel – Schiphol Airport

Brigit Gijsbers

LOUNGE NEAR BALMORAL ROOMS

10.45hrs – 11.15hrs COFFEE / TEA BREAK

11.00-13.15hrs – 2nd part PLENARY MORNING SESSION

Balmoral 1, 2 and 3 meeting rooms

11.15hrs IATA – THE INTERNET OF LOGISTICS

Message on the importance of digitalization and interoperability

Success story of the deployment of ONE Record in Germany through national programmes

Demo Living Lab 11 and global deployment

Dr. Jan-Wilhelm Breithaupt – Lufthansa - Vice President Global Fulfilment Management

Dr. Harald Sieke – Fraunhofer IML- Head of Aviation Logistics

Henk Mulder - Head Digital Cargo, IATA

11.45hrs SWEDEN – THE DATA INCLUSIVE SOCIETY

Contributing to data inclusivity for Connected European Transport

Swedish results FEDeRATED

Next steps

Stefan Zetterlind - Ministry of Rural Affairs and Infrastructure - Deputy Director

Mikael Lind - RISE

Annica Roos - Trafikverket

Jan Bergstrand - Trafikverket

12.15hrs FINLAND – THE IT FACILITATORS

Finnish insights from Traficom, Fintraffic, Customs and Ahola Transport

Ahola transport demonstration

Vediafi Living lab summary

Lasse Nykänen – Vediafi

Toni Penttinen - AHOLA Transport

Toni Penttinen

Lasse Nykänen

12.45hrs ITALY – THE DIGITIZED LOGISTICS CHAIN

General concept

Terminal San Giorgio – Grimaldi: common language and principles FEDeRATED pilot

Codognotto - Data lake, app, and cross-pilot eFTI/eCMR

Zai Srl Demo - technical perspective applied to terminals

Lessons learnt

Guido Piccoli

Cosimo Cervicato and Marco Gorini

Stefan Popa

Paolo Lunardi

All

LOUNGE NEAR BALMORAL ROOMS

13.15hrs – 14.00hrs LUNCHEON BREAK

14.00-15.30hrs - AFTERNOON - 5 WORKSHOP SESSIONS

SEE FLOORPLAN ON PAGE 7 TO FIND THE LOCATIONS OF YOUR PREFERRED WORKSHO

WORKSHOP SESSION 1 - BALMORAL 2 and 3 appr 110 places

14.00hrs SEMANTIC INTEROPERABILITY – THE ROSETTA STONE OF 21ST CENTURY LOGISTICS AND TRANSPORT

FEDeRATED Semantic Modelling Group	Henk Mulder (<i>also moderators</i>)
Smart Freight Center – Emission monitoring	Violetta Matzoros
Kybernos – Digital Product Passport	Sebastian Haas
KEYnote project - Open API Registry	Alex Papacharalampous
European Railways Agency (ERA) – Semantic web technology	Marina Aguados
Large Language Models (LLM) and the FEDeRATED ontology	Wout Hofman - TNO

WORKSHOP SESSION 2 - BALMORAL 1 appr 80 places

14.00hrs LIVING LAB (LL) PRESENTATIONS AND DEMONSTRATIONS

LL#17 EU Gateways – eFTI/eCMR	Rudy Hemeleers, Stefan Gevaerts– Pionira Tilman Friz – Abona Leonid Kuhn - Abona
LL#21 SIMPLE	Manuel Rodriguez Sanchez - INDRA
LL#23 Real-time Multimodal Transportation Visibility Platform	Toni Penttinen - AHOLA
Physical Internet – PILL project	Birger Schrevens - imec
DEPLIDE	Kenneth Lind – RISE
<i>Moderator Guido Piccoli</i>	

WORKSHOP SESSION 3 – WELLINGTON appr 24 places

14.00hrs FROM COZY PROJECT TO BIG VALUE: HOW TO CONVINCE STAKEHOLDERS?

Stakeholder engagement and digital readiness - insights from Finland, the Netherlands, and Sweden followed by plenary discussions,
Moderators: Sjoerd Boot, Mikael Lind, Lasse Nykänen, and Joost van Deursen (Data in Logistics).

WORKSHOP SESSION 4 – LANCASTER

appr 16 places

14.00hrs PRACTICAL LIVING LAB DEMOS

Work out sessions, including One2One interaction with audience based on available laptops

Various

WORKSHOP SESSION 5 – BOARDROOM

appr 10 places

14.00hrs PRACTICAL LIVING LAB DEMOS SWEDEN

Work out sessions, including One2One interaction with audience based on available laptops

Various Swedish Living Labs

LOUNGE NEAR BALMORAL ROOMS**15.30hrs – 16.00hrs COFFEE / TEA BREAK**

16.00-17.05hrs – PLENARY AFTERNOON SESSION

location Balmoral 1, 2 and 3 meeting rooms

16.00hrs FEDeRATED NODE PROTOTYPE (Common LL – Multimodal Visibility Service).

Concept
Node capabilities
Interactions between Living Labs
Lessons learnt
To Do

Mitchell Out – Dutch Customs and some FEDeRATED IT Architecture Board members

16.30hrs PLENARY DISCUSSION – WHAT’S NEXT - Do we need an EU Framework Approach?

Possible Topics: Scaling; collaborative innovation; lessons learnt; involving all EU Member States; systematic approach; EU Framework; policy integration, including, synergy DTLF and Data Spaces, EU co-financing for future prospects

Contributions from All

Moderators: Szymon Oscislowski, Brigit Gijbbers and possibly others

17.00hrs CLOSING REMARKS**17.10hrs DRINKS – Additional networking****18.30hrs END**

STANHOPE FLOORPLAN
